# International Conference on Environment Technologies and Sustainable Energy

(ICETSE, 2023)

Dear Colleagues

On behalf of the Organizing Committee, we cordially invite you to participate at "International Conference on Environment Technologies and Sustainable Energy (ICETSE, 2023)".

The conference will be held on October 17th-18th, 2023 in Algiers, Algeria. The ICETSE, 2023 aims to bring together researchers, engineers, industry and students from all over the world to share and discuss recent advancements in environmental technologies and sustainable Energy research.

The conference will consist of Plenary Conference, Keynotes, Oral and Poster presentations.

## Conference Scoop

The 1st International Conference on Environment Technologies and Sustainable Energy aims to:

- Bring together leading academic scientists, researchers, and experts to share their experiences and research results in all aspects related to

environment technologies and sustainable Energy ,

- Provide an interdisciplinary forum for scientists, engineers, students and practitioners from the four corners of the globe to present their latest research results, ideas, developments, and applications in the field of environment and energy.

## TOPICS

### Topic 01: ENVIRONMENTAL TECHNOLOGIES

- Water and wastewater treatment,
- Soil restoration and remediation,
- Air pollution and treatment,
- Environmental process simulation,
- Ecosystem restoration and assessment.

### Topic 02 : ENERGIES

- Hydrogen energy and fuel cell technology,
- Nanotechnology in energy,
- Energy materials design and production,
- Solar, wind energy and photovoltaic technology,
- Bioenergy and biomass,
- Energy and climate.

### Topic 03 : IMPACT EVALUATION

- Environmental project management,
- Health and environmental,
- Substitution of environmentally hazardous products,
- Life cycle analysis,
- Circular economy.

## IMPORTANT DATES

- Call for abstracts: **March,12, 2023**
- Deadline for abstracts submission: **June 15, 2023**
- Notice for acceptance: **July 15, 2023**
- Full Paper Submission Deadline: **September 01, 2023**
- Tentative program: **September 30, 2023**
- Final program/Deadline for registration: **October 01, 2023**
- ICETSE2023 Conference: **October 17-18, 2023**

## Registration

	Registration and payment
National Researchers	18 000 DA
National Student	8 000 DA
International Researchers	450 €
International Student	300 €
Industrial	30 000 DA
Accompanying persons	+ 100 €

The fees cover the admission to all scientific sessions, access to the exhibition area, congress bag and documentation, electronic book of abstracts, coffee breaks, lunches, and welcome reception.

## Approximate exchange rate:

EUR: 146.41 DA

USD: 137,50 DA

## ABSTRACTS SUBMISSION

To submit an abstract, please create an account first and log in.

You will have access to a new menu in the left bar from where you can submit your abstract.

For the abstract submission, please use the CONGRESS REGISTRATION SYSTEM.

**Please download the abstract template.**
